

North York Moors National Park Cycling Friendly Scheme

Cycle Repair Stations

Cycle Repair Station Checklist

Essential Criteria	
We are based in the North York Moors National Park or the wider influence area* and will promote cycling activities and events via our website, literature, emails, social media and face to face wherever possible.	
As part of the North York Moors Tourism Network I will make people aware of and promote other cycling friendly network businesses wherever possible/appropriate.	
We provide a work stand and toolkit containing basic tools (see separate list), multi valve floor pump and puncture repair kit or spare inner tubes (chargeable) with tyre levers.	
We agree to make facilities available to customers and non-customers (if hosted by a business). A donation to a charity would be fine however the assumed benefit to your business is the potential that they will buy something, return and or tell people about your business.	
We provide information on cycle centres, trails, routes and have local guide books, route maps and OS explorer maps (for reference or to buy).	
We clearly state the opening hours of the facility i.e. business hours if hosted or 24h if stand alone.	
Where the facility is hosted, we provide access to a landline for emergency purposes and can store a bike if the cyclist cannot repair it and needs to call a taxi or use public transport.	
We provide a free to use first aid kit appropriate for outdoor activities.	
We provide information on other cycling friendly network businesses including bike hire, bike shops, bike servicing, accommodation and other cycle friendly cafes or places to visit en-route.	
You may also wish to consider:	
We offer access to a telephone for emergencies and WiFi and/or offer to print official North York Moors route guides and information to help with route planning.	
Where the facility is hosted, we will look to hold some basic spares such as inner tubes, chain links, energy drinks or bars on a chargeable basis. See separate recommendations.	
We have attended a cycling friendly tourism workshop run by the North York Moors National Park.

Confirmed by:

Name	Telephone
Business	Email

Please email a couple of photos of equipment/facilities/resources to support your application.

This award is applicable to registered North York Moors Tourism Network businesses who will be listed (for free) on the North York Moors National Park website. By signing this document you are committing to meeting the essential criteria at all times. Once accepted you will be awarded "Cyclist Friendly" status and issued with a logo with usage guidelines. Any business reported not to be complying with the essential criteria may be removed from the scheme and will be asked to remove all logos and references at their own cost.
